Šatní skříň KALE OPEN 5

Vážený zákazníku,

Naše výrobky navrhujeme a vyrábíme tak, aby si je lidé oblíbili a měli z nich radost stejně jako my. Výrobek, který jste zakoupili, prošel před odesláním všemi druhy testů a kontrol.

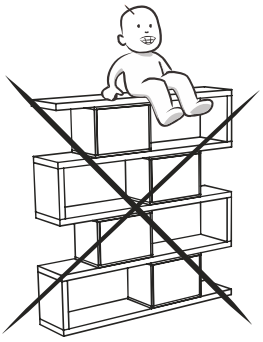

Pozor!
Použití nadměrné síly na nábytek může způsobit jeho převrácení.
To vám může způsobit finanční i zdravotní újmu.
Abyste této situaci předešli, použijte upevňovací prvky pro montáž na stěnu.

Před zahájením montáže zkontrolujte všechny díly a příslušenství podle seznamů. Pokud jste zakoupili více než jeden výrobek, nejprve dokončete montáž prvního výrobku, abyste předešli záměně. Teprve poté začněte s montáží dalšího výrobku.

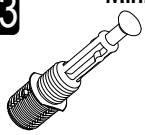

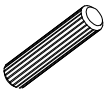

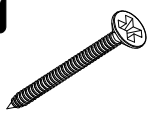

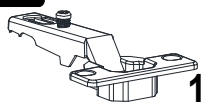

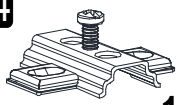

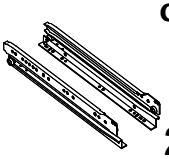

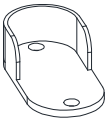

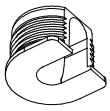

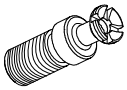

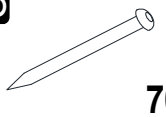

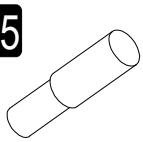

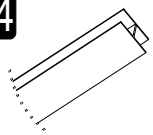

Před zahájením montáže otřete všechny díly vlhkým hadříkem.
Tento postup postačí i pro běžné čištění.

Nepoužívejte nábytek k jiným účelům, než ke kterým je určen. Máte-li v této věci jakékoli dotazy, kontaktujte nás.

Nevystavujte nábytek přímému působení nadměrného tepla, chladu a vlhkosti, protože by mohl být poškozen.
